Dear Parent/Carer

Building works at Sandy Road Entrance

Please be aware that there are building works taking place within the school grounds at Sandy Road entrance. This area is currently being pedestrianised to allow for our bio-mass fuel to be delivered in a safe and secure area which will now be fenced off. To this end, this area is now not available for picking up or dropping off your children or for parking. The disabled parking spaces have been relocated to the other car park beside the astro-pitch.

Please do not hesitate to contact me at school if you have any queries.

Thank you for your ongoing support.

Yours sincerely

A Crawford
Head Teacher
